The information contained in this disclosure statement will help you decide which financial adviser to choose.

It will help you to decide whether our services will suit your needs. We may also provide you with more information later that will also be important for the financial decisions you make.

What sort of adviser are We?

We are a Qualifying Financial Entity (QFE).

This means that We are licensed to take responsibility for the financial adviser services provided by advisers that are employed or nominated by us ("QFE Advisers"). This includes making sure that QFE Advisers exercise care, diligence and skill in providing financial advice to you. QFE Advisers do not have to be individually registered or authorised.

You can check our QFE status and whether any other entities are part of the QFE Group on the Financial Service Providers Register at www.fspr.govt.nz.

Sioned Mora of Greenstone Insurance Limited (Trading as Greenstone Insurance) is a Nominated representative of AMP.

What services can We provide to you?

Our QFE Advisers may also provide class advice in relation to the AMP KiwiSaver Scheme (a Category 1 financial product).

Our QFE Advisers cannot provide:

If you need these services We can refer you to one of our Authorised Financial Advisers.

What should you do if something goes wrong?

If you have a problem, concern or complaint about any part of the services We provide, in the first instance you may contact us by phone, email, or by writing to us at the address above.

If We cannot agree on how to fix the issue, or if you decide not to use the internal complaints scheme, you can contact the Insurance & Savings Ombudsman Scheme (to be known as the Insurance & Financial Services Ombudsman Scheme from 1 November 2015).

This service is free, and will help us resolve any disagreements. You can contact the Insurance & Savings Ombudsman Scheme / Insurance & Financial Services Ombudsman Scheme at:
